

# GRAS AC0003

Adapter cable for Intensity Probe GRAS 50AI

Adapter cable 12-pin LEMO to 2 x 7-pin LEMO for GRAS 50AI-C.

## Introduction

The GRAS AC0003 is an adapter cable with 12-pin LEMO to 2 x 7-pin LEMO for GRAS 50AI-C Intensity Probe. In case you wish to connect the Intensity Probe to a regular Power Module e.g. GRAS 12AA you need this adapter cable.

The alternative is to connect the 12-pin cable from the intensity probe directly to a power module (GRAS 12AB) which is dedicated to the intensity probe.

## Quality & Warranty

GRAS accessories are made of stainless steel, alloys and high-quality composites. These items are covered by a 2 year warranty respecting their intended use.

On consumables like batteries, cables and windscreens we offer a 6 month warranty.

## About GRAS Sound & Vibration

GRAS is a worldwide leader in the sound and vibration industry. We develop and manufacture state-of-the-art measurement microphones and related equipment for industries where acoustic measuring accuracy and repeatability are of the utmost importance. This includes applications and solutions for customers within the fields of aerospace, automotive, audiology, consumer electronics and other highly demanding industries. GRAS microphones are designed to live up to the high quality, durability and accuracy that our customers have come to expect, trust and require.

GRAS Sound & Vibration is represented through subsidiaries and distributors in more than 40 countries and is part of Axiometrix Solutions, a leading test solutions provider comprised of globally recognized measurement brands. Read more at [www.grasacoustics.com](http://www.grasacoustics.com)
